

Building Brighter Futures Through Successful Partnerships

Cabrillo College

Audries Blake – Tech Prep Director

Shawn Ogimachi – CTE Community Collaborative Director

Luan Seaman – CTE Community Collaborative Coordinator

Santa Cruz County CTE Community Collaborative

Show of hands: How many of you are involved in a CTE Community Collaborative grant currently?

How many of you have a great CTE Collaborative?

What obstacles do you face?

Popcorn: What would you like to get out of today's workshop?

Santa Cruz County CTE Community Collaborative

Overarching Goal:

A Career Technical Education System that provides students with well-defined pathways to prosperity and provides employers with a skilled workforce.

County Goals

- Career Awareness
- Professional Development
- Resource Development
- Outcomes/Accountability
- Programs of Study

Landscape of Santa Cruz County:

One College Community College District

Regional Occupation Program is decentralized – classes across 4 school districts

Reaches approximately 4,000 students annually

8 Comprehensive High Schools

3 Continuation High Schools

11 Middle Schools

Business/Education Intermediary – Non-Profit Organization

Demographics differ widely from north to south county

Younger

Less affluent

25% unemployment

Predominantly Latino community

More transient community

Foundation of Our Partnership

- Talked with counselors – Tech Prep Consortium Monthly Meetings
- Talked with high school principals – Tapped in to existing principal meeting
- Started receiving funding for Career Technical Education
- Received 5 SB-70 grants
- Talked with district superintendents to develop a county-wide CTE system that board members and superintendents signed
- Started conversations around developing facilities grants (CDE 1D grant)
- Continued to share grant writing and resource development

Your Future is Our Business “YFIOB”

Developed out of School-to-Career movement

Good work needed to continue

501 (c) (3) was created to promote CTE through

- Career Panels
- Job shadowing
- Internships
- Mentoring
- Specialized classes – Road Maps and Suenos

- ROP CTE Coordinator
- Tech Prep Director
- District representatives at cabinet level
- WIB representatives
- Adult Education representative
- Alternative Education representative
- Industry representative from each Career Partnership

Role

Plan annual CTE Summit

Activity

For the next 5 minutes:

Introduce yourself to someone you do not know and ask the following question: Who would you like to engage in a conversation about partnering in your community?

What would you want to accomplish with this conversation?

Building and Maintaining the Partnership

Grant Development:

- Assemble key stakeholders to discuss shared goals/vision
- Assets – what will partner bring to grant
- Resources
- Shared writing

Activities:

- Retreats/Planning Days
- Summit
- Professional Development Activities
- Middle School Consortium

Retreat/Planning Days

- Review and evaluate goals/activities of the collaborative
- Committee members identified and convened to develop shared outcomes by goal
- Develop work plans around each goal
- Write work plan

Professional Development Activities

- Vertical Teams in Industry –
 - 7-14 administrators, teachers, counselors
- Summer mini grants for curriculum development
- Conference attendance for teachers
- First Annual Green Conference for teachers, counselors and administrators
- Cabrillo Connections for Student Success
“Salon Series”

7 – 14 Activities

- Career fairs and days
- College and Career Night
- Summer Academy
- Career Panels
- Stipends for middle school representatives
- Field Trips (e.g. Driscolls)
- Career Locker Software Training
- Graniterock Construction Career Day

Annual CTE Summit

- Co-hosted by College President and County Superintendent of Schools
- 140 attendees
 - Superintendents
 - Principals
 - Teachers/Counselors (Middle/High School/College)
 - Key Industry Representatives
 - Workforce Investment Board
 - School Board Members
 - Political Representatives

Annual CTE Summit

Pre Summit

(opportunity for key discussions around countywide CTE System)

- Superintendents' meeting
- Principals' meeting

Summit

- Welcome by Cabrillo President & County Superintendent
- CTE Overview
- Report by Green Careers Partnership Team
- WIB-State of Business
- Keynote by Cabrillo Dean
- Breakouts by Program of Study with educators & industry
- Dinner/Report out

Next Steps

“How do we continue to engage our partners or involve them differently given current state of affairs?”

Thank you for coming!!
