

TECA Mission Statement

We are a strong established academy that will support, educate, and inspire ourselves, our school, and our community.

Our Mission is to help ourselves by:
working cooperatively to be educated

To help our school by:
giving assistance to students in need and being representatives of PHS .

To help our community by:
volunteering our time to those who need it

TECA

We are **educated**: we study and learn new things together

We are **confident**: we believe in ourselves and each other

We are **supportive**: we are there to help each other academically and emotionally

PHS

We are **willing**: we are active in our school's academics, athletics, and performing arts

We **represent**: we work to the best of our abilities and take pride in our school and Academy

Community

We **lead**: we show the way to younger students and guide them towards higher education

We are **helpful**: we help the community solve problems

To accomplish this mission, we fill these roles:

Educators, Colleagues, Leaders, and Volunteers
